### **STATEMENT OF ISSUES**

1. Whether the Bankruptcy Court erred in entering order in violation of Bankruptcy Rule 2015 and United States Trustee Region 21 Operating Guidelines and Reporting Requirements that:

(A) Denied a Motion to Compel Post Confirmation Quarterly Operating Reports where all the confirmed plan payments have not been made, a final decree has not been entered and no Post Confirmation Quarterly Operating reports have ever been filed.

(B) Denied a Motion to Compel Post Confirmation Quarterly Operating Reports without opposition, without a hearing and without hearing from the United States Trustee.

(C) Denied a Motion to Compel Proof of Insurance under the same circumstances as A and B.

2. Whether a party, against whom sanctions and contempt are sought, has standing to compel the post confirmation operating reports to prove that the underlying confirmed bankruptcy plan is in default.

3. Whether the United States Trustee and the Bankruptcy Court both have independent obligations to require that the post confirmation quarterly operating reports in Chapter 11 cases.
